and "industry" (Pet. 18) be accepted *arguendo,* it is clear that "When the product of the soil leaves the farmer, as such, and enters a factory for processing and marketing it has entered upon the status of 'industry'." *North Whittier Heights Citrus Assn.* v. *National Labor Relations Board,* 109 F. 2d 76, 80 (C.A. 9). Thus, even under the petitioner's own theory, it is part of the industrial rather than the agricultural economy.

Respectfully submitted.
